**REQUEST FOR RECONSIDERATION OF DECISION ON PETITION UNDER 37 CFR 1.10(c)**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants request reconsideration of the Decision on Petition under 37 CFR 1.10(c) mailed July 17, 2008 denying Applicants' petition to accord the above-captioned application a filing date of December 20, 2005.

The Decision notes that there are three requirements under 37 CFR 1.10(c) and confirms that Applicants have satisfied two of the requirements. However, the Decision provides that Applicants have not satisfied the requirement that the petition be filed promptly after the person becomes aware that the Office has accorded, or will accord, a filing date other than the USPS deposit date. This is respectfully traversed.

Applicants became aware that the application was not accorded a filing date of December 20, 2005, when they received the filing receipt mailed May 9, 2008. Thus, the petition under 37 CFR 1.10(c) was filed about one month after the filing receipt was mailed.

Applicants note that they received a return postcard which was stamped "IAP4 Rec'd PCT/PTO 22 DEC 2005" (a copy of the return postcard is attached). However, Applicants did not appreciate from the postcard that they would not be accorded a filing date of December 20, 2005.

Applicants therefore submit that they have complied with 37 CFR 1.10(c) and respectfully request that the above captioned application be accorded a filing date of December 20, 2005.

The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this petition or application.

Respectfully submitted,

Date: July 25, 2008
